I Didn't Know It Was Loaded

Some of the less pleasant news headlines to greet us periodically are those of the "DUD PROVES FATAL" or "SOUVE NIR WRECKS HOME" type. These articles don't make pleasant reading, particularly since they needn't have happened if normal precautions had been observed — DON'T TOUCH IT — CALL THE NEAREST RECOGNIZED AUTHORITY.

To amplify. An ambitious home builder was excavating for a basement by hand some years ago when, from among other debris, he uncovered an artillery shell. Without further thought he set it aside and proceeded with the job at hand. Time passed. He finished his house. Married. Raised a family.

The shell meantime had been utilized over the years in the workshop portion of his basement as a small anvil — for straightening nails, etc. — without incident. When not in use, it was placed on one of the overhead beams. His son, removing it one day not too long ago, dropped it — headline number one.

From the recovered pieces of the shell it was determined that it was of a type that had not been in production since 1912. Adequate proof that the effectiveness is not always reduced by age.

Another shell, its origin long lost through the process of years of hand-me-down, was retired to a bay window of a residence. This window, facing west received the maximum hours of sunlight and the resulting accumulation of heat day by day. This continued beyond the limit of aged explosive — headline number two.

Then there was the case of the children who, after observing a mammoth fireworks display, scraped the husks for unused powder. A considerable accumulation and an added match resulted in a case of very

severe burns and injured eyes.

These are factual cases and indicative of what can happen with an apparently harmless object.

What could have been another unfortunate item occurred last month when an 8mm practice bomb was recovered in the Griesbach Area. This was a training type missile and normally carried no explosive other than the propellant charge. It was returned to its rightful place with no harm done.

Fortunately, these incidents seldom happen, but once is too often. Similar such cases have also occurred when the "dud" was in the possession of a person qualified in its proper handling. Here too an accident had no respect for qualification.

If, among your souvenirs, you have an array of grenades, mortars or shells, etc. of which you aren't completely confident of having had everything removed but the government stamp, have them examined by an expert.

Needless to say, all possible precautions are taken here in Griesbach as in other training area to prevent missiles from coming into the hands of children and other unauthorized persons. However, there is always the possibility of human error. It is an added precaution that areas used for training with explosives are placed "Out of Bounds" and everyone should be impressed with the importance of observing such restrictions.

If your youngster, unlike other children, disobeys your instruction in the matter and comes into possession of an object of destructive nature or knows the whereabouts of one, climb down off the chandelier and inform either the area Provost Patrol or the Duty Officer at Command Headquarters.

HOLIDAY TIPS

The summer is here and with it comes the periods during which families vacate PMQs for greener pastures on vacation. Griesbach is now a fairly good-sized community and as such, subject to such things in crime as thievery, breaking and entering, and others. A particularly good target for the criminal is the empty PMQ.

Following are some tips that will assist you in concealing your absence from any prowling criminal surveying obvious or likely prospects, and at the same time, to add to your home's security:

- (a) Arrange for a stop to parcel delivery;
- (b) Arrange a stop of milk delivery;
- (c) Arrange with neighbor to check premises periodically;

- (d) Arrange for lawn to be mowed;
- (e) Secure premises and then check to make sure all points attended to;

(f) Notify your Provost Detachment at GR 9-8400 or GA 2-6367 of your PMQ No., period of absence, and the neighbor having keys and checking responsibility.

Provost Patrols do not guarantee absolute protection, but will keep an extra bit of attention directed to your home, thus adding to its security. Your neighbor should be cautioned that if any strange persons are seen prowling in the vicinity, Provost should be called immediately.

Make your vacation happy in all respects, with a secure home, followed by safe driving and safe water practices until your return.

The Camp Commandant and the Fire Chief express their gratitude to the residents of Griesbach for their support during Clean-Up Week. Having participated in this campaign, we are confident your reward of a "Fire Safe Home" has been fulfilled.

Letters to the Editor

PERFUMED PAPERS AND PIGS

We live in Griesbach.

When the weather is fine

We prefer the winds northward

Most of the time.

But when it's south-east,

And perchance it blows warm,

We're stifled with smells

From the city pig farm.

We've lived over Canada

(Some folks coast to coast)

But the aroma this week

Was really the most!

We've seen goofy gimmicks

And advertizers' capers —

But please, don't you publish

With stinko-filled papers.

Mrs. R. E. Ashmore.

Editor's Note: We tried Chanel No. 5 but it wouldn't mix with the ink.

WHO CARES?

Apparently only 48 residents of Griesbach, out of 1,520, care how their community operates. That, believe it or not, was the attendance at the General Meeting of the Griesbach Association on June 15th. Granted that many could not attend — but what about the hundreds that could? Lack of interest? Indifference? Let George do it? Who knows — but whatever their reason, let them think twice before criticizing the action of their Council and others who are working so diligently to provide the amenities needed in our community.

With only 48 members in attendance no legislation could be enacted as there were insufficient members present to form a quorum. Many improvements are scheduled for the community this year. Most of these require Association sanction. However, your Council plans, without this official sanction, to carry on and endeavour to finish this year's program.

The Chairman Reports

Following is the report given by Major H. H. Hennie, chairman of the Griesbach Association, to the General Meeting of the Association held on June 15th.

"Needless to say I am very disappointed at the attendance here tonight. To you who have turned out, may I offer my congratulations for showing an interest in your community. Our constitution states that 6 Councillors and 50 members are required for a quorum. We have sufficient Councillors present, but only 35 members. Unfortunately, therefore, we cannot enact any legislation. However, for your information, I will give a report, as planned, on your Council's activities over the past six months.

"Seven meetings of Council, with almost a 100% attendance each time, were held in the period. In order to keep members informed, Council activities were published each month in the Bugle under the heading "Council Briefs."

"(Several changes have taken place within the Council. I was appointed chairman of the Association in May on the promotion of Lt./Col. Hamilton. Lieut. Austin was appointed treasurer in June due to the posting of Capt. Little. Major A. Allen has been appointed deputy chairman.

"The Councillors who volunteered last December for temporary duty, are still in office and have volunteered to remain until September, 1960. New Councillors are Major L. A. Swick, Ward 4, PMQ's 8-9, 178-224, who replaced myself; Sgt. W. A. Taylor, Ward 10, PMQ's 450-491, 589-604, and Mrs. R. P. Wilson, Ward 12, PMQ 605-631, 697-735. These wards had no Councillors until Sgt. Taylor and Mrs. Wilson volunteered their services. Ward 13, PMQ's 632-696 has no Councillor as yet.

"Your Association is in a sound state financially, with cash assets of approximately 1,300.00. It is gratifying to note that resident contributions have shown an increase over past years, averaging, at present, well over \$200.00 per month.

NEW BRANCH OPENS AT GRIESBACH

A new branch of the Bank of Montreal has opened at Griesbach Barracks for the convenience of soldiers and dependents living in the area. Maj-Gen. G. Walsh, CBE, DSO, CD, General Officer Commanding, Western Command, cuts the tape for the official opening. From left to right are Mr. George Nesbitt, manager of the new Griesbach branch; Gen. Walsh, and Mr. William Newbigging, general manager of the main branch of the Bank of Montreal in Edmonton.

(National Defence Photo)

Changes Post

Griesbach, Alta. — Captain Leslie T. Little of Portage la Prairie has been posted to Manitoba Area pay office in Winnipeg.

An officer of the Royal Canadian Army Pay Corps, Capt. Little was assistant paymaster at Alberta Area pay office in Edmonton.

He enlisted in the 37th Field Battery, Royal Canadian Artillery (Militia) as a Gunner in 1938 and served in the United Kingdom and Italy during the Second World War. On his release from the army in 1945, Capt. Little attended the Angus School of Commerce in Winnipeg taking a course in Business Administration and Commercial Accounting. He re-enlisted in 1951 and was paymaster with headquarters 25 Canadian Infantry Brigade Group in Korea from 1953 to 1954. Prior to his present appointment he was paymaster with the Lord Strathcona's Horse (Royal Canadians) in Calgary and the 2nd Battalion, Princess Patricia's Canadian Light Infantry in Edmonton.

His wife, Joan, and four children live at 14707 - 101st St., Edmonton.

Recreation Areas Being Erected

The Griesbach Council is happy to report that, thanks to the support of our residents, enough money has finally been collected to make the erection of recreation areas in this community possible.

Council has voted funds to establish three such areas. Two of these will be in the new PMQ Area and the third will be located in the old area which will give that sector two playgrounds. The equipment existing is at present being refinished and repaired. The date of completion for this project is July 31st. There will be a requirement for assistance and all who are able, are urged to volunteer when approached by their councillors.

FINAL BINGO

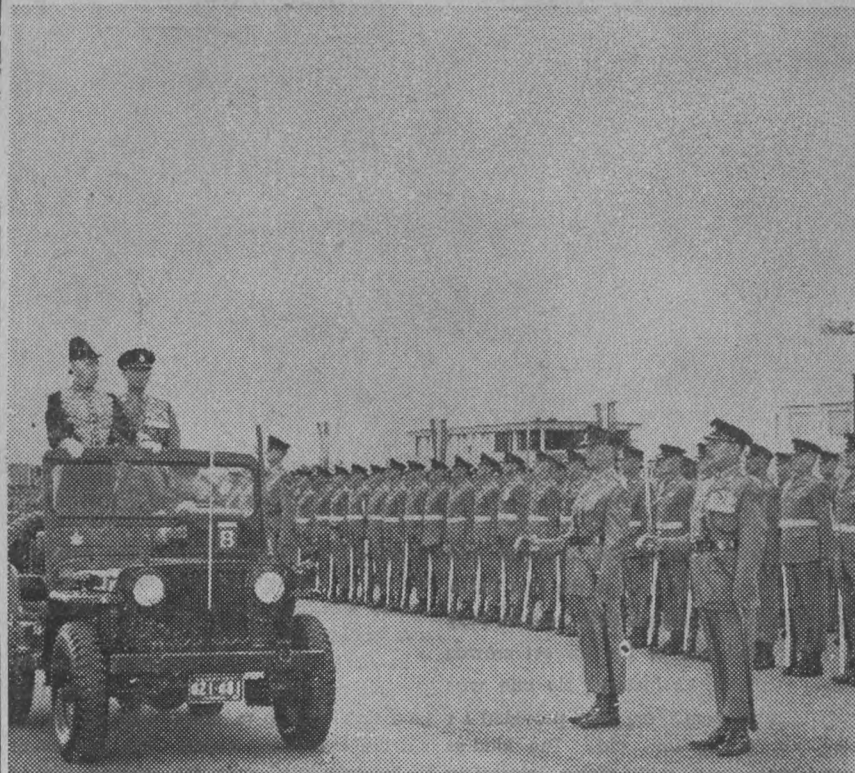

The final Bingo of the season was held at No. 1 School on June 1st and attracted the largest attendance of all those held this year. Approximately 380 were present. This was no doubt due to some degree at least, to the \$200.00 Jackpot Prize which was offered.

The doors were opened for the first time to the men of the community, but they were not eligible for the Jackpot Prize. However they vied with the ladies albeit not too successfully, for all the other attractive and valuable prizes which were offered.

The lucky winner of the Jackpot Prize was Mrs. H. G. Sleep, who was declared as being "wide awake" that evening.

These Bingo evenings have proven so popular, that the Ways and Means Committee has decided to re-introduce them again, but at a much earlier date than previously. Tentative plans call for the first Bing in September, so be on the lookout for further details in this paper.

PATRICIA'S TROOP THEIR COLOR

One of the Army's oldest and most colorful traditional ceremonies took place Saturday, June 4th, at Hamilton Gault Barracks, Edmonton, when the 2nd Battalion, Princess Patricia's Canadian Light Infantry "trooped their color." The Honorable J. Percy Page, Lieutenant-Governor of Alberta, took the salute during the march-past of the battalion under command of Lt-Col. C. J. A. Hamilton of Brandon, Man. An estimated crowd of over 5,000 Edmontonians attended the ceremony as more than 400 soldiers of the Patricia's staged the precise movements that are required in a ceremonial of this kind. Here, the Hon. J. Percy Page, accompanied by Lt-Col. Hamilton, inspects the battalion.

(National Defence Photo)

Happy Wanderers Rally

Griesbach, Alta., June 13. — Five hundred Scouts, Guides, Cubs and Brownies, sons and daughters of soldiers serving at Griesbach barracks, held a combined rally here last Saturday afternoon, believed to be one of the biggest rallies to take place in Edmonton this year.

One Scout troop, three Guide companies, five Cub packs and five Brownie packs held an impressive ceremony as they marched-past the saluting base in two's singing their marching song, "The Happy Wanderer." Guest of honour taking the salute was Mr. G. R. A. Rice, owner of CFRN radio and television stations, who has been interested and active in Scouting for many years.

Mr. Rice congratulated the children on their smart turn-out and said how the Scouting and Guide movements gave them a "wonderful opportunity to meet people and gain experience."

Other guests included Mr. H. Cuthbert, district commissioner for Scouts and Cubs; Mrs. C. McPherson, district commissioner for Guides and Brownies, and Col. N. H. Ross, DSO, ED, CD, chief of staff for Western Command headquarters.

Following the march-past a campfire sing-song was held with hot dogs and soft drinks for all the children.

The band of the Princess Patricia's Canadian Light Infantry, under the direction of Lieut. H. A. Jeffrey, was in attendance.

Chairman of the Griesbach group committee for the Scouts and Cubs is Major P. W. Ayriss, deputy assistant quartermaster general for Alberta Area.

Mr. Rod McGeachie, the Field Commissioner, acted as Master of Ceremonies at

the campfire.

Leaders attending the rally were: Sgt. E. G. Johnson, district scoutmaster, and Lieut. Earl Montalbetti, district cubmaster. Brown Owls are Mrs. J. B. Roe; Mrs. Doris Church; Mrs. Jan Paterson; Mrs. Audrey Mosley, and Mrs. Rita Mann. The Girl Guide captains were Mrs. Norma Montalbetti; Mrs. Helen Daly, and Mrs. Ruth Parker.

Mrs. Marie Murphy will be taking over as district commissioner for the Guides and Brownies early in September.

Community Library Report

The centre portion of the Post Office Building was handed over to the Griesbach Association on June 10th. Equipment, shelving and books have been moved into the building and organization is now under way. It is anticipated the library will be ready to open by the 20th of July.

By the time the library opens, it is hoped to have approximately five hundred dollars worth of new books available. This is in addition to the books formerly held by the Command Reference Library which have been turned over to the Community Library.

The library will be open three times a week to Griesbach residents of 8 years and over.

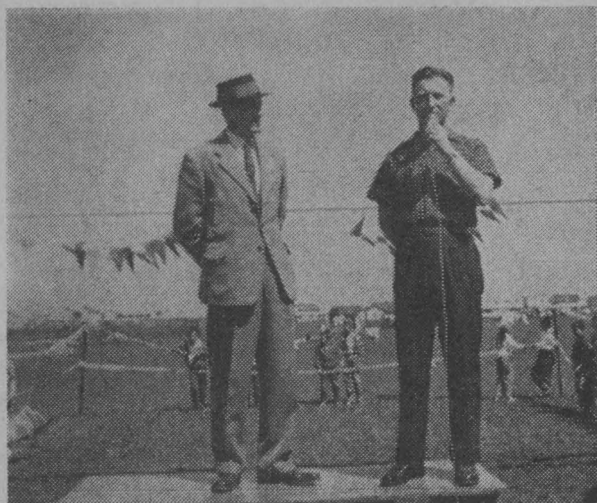

Monday — 7:00 p.m. to 9:00 p.m.

Wednesday — 7:00 p.m. to 9:00 p.m.

Saturday — 9:00 a.m. to 11:30 a.m.

Preferable, but not mandatory, that children take out or exchange books during first hour.

COMMUNITY FAIR HUGE SUCCESS

Blessed with one of the warmest and sunniest days of the season, the first Griesbach Community Annual Fair, held on May 28th, attracted one of the largest crowds in this community's history. No one was disappointed. Something was provided for everyone, young and old. The kiddies were kept busy with many interesting games, competitions, refreshments and enjoyable rides, while the adults found much to amuse themselves with more sophisti-

cated games, viewing the many excellent entries in the various competitions and of course watching the enthusiastic antics of the youngsters.

Lt.-Col. C. J. A. Hamilton officially opened the Fair at 11:00 a.m. From that time until 6:00 p.m. there was no let up in the interesting events. The first event to be scheduled was the presentation of prizes in the school children's poster competition. There were so many excellent entries that the judges were forced to

declare ties in several instances.

Next followed the bicycle, tricycle and doll carriage decorating contests and here again the ingenuity and artistic talents of the youngsters were richly displayed.

The Dog Show was one of the most popular events and visitors to the Fair saw some outstanding examples in many breeds.

The success of the Fair was due almost entirely to the unselfish sacrifice of much time and effort by many people of the

community. The Scouts sold pop; the Guides served hot dogs; No. 1 Home and School Associations ran the tea tent and the putting game; No. 2 Home and School Association ran the giant Cake Walk.

In addition, units and individuals co-operated to the fullest in providing assistance where required and succeeded in making the Fair a truly community event. The Ways and Means Committee reports that even a bigger Fair is being planned for next year.

Council Briefs

Mrs. R. P. Wilson took her place as Councillor for Ward 12 at the June Council meeting. Lieut. Vesey, Sgt. Taylor and Cpl. Canning were absent on duty.

* * *

Council was in session slightly over two hours in completing a somewhat lighter slate of business. The Ways and Means Committee reported a net profit of approximately \$400.00 at the June 2nd bingo. The Community Fair netted the Association approximately \$170.00. Although the financial results of the Fair were below expectations, Council was agreed it succeeded in its main purpose of providing residents with a good day's outing. Major Hennie advised Council that Lieut. Vesey was the new chairman of the Ways and Means Committee.

* * *

Council gave the financial report close scrutiny. The report showed the Association in good condition financially with cash assets of approximately \$1,300.00 at the end of May. The treasurer reported that the operating deficit shown for May will be made up in June when credit is shown for stock returned to the wholesalers from the bingo and Fair operations.

* * *

The chairman advised Council that the opening of the Not New Shop has been delayed until arrangements for necessary insurance can be finalized. A break-in has already occurred and approximately \$88.00 damage was done to the building, WO 1 and Mrs. Delaney were approved by Council as operators of the Shop, on a 3-month trial basis. Council voted \$300.00

to cover cost of insurance, shelves, shutters or screens for the windows and other expenses which will be incurred in opening the shop.

* * *

After a lengthy discussion Council agreed to ask the General Meeting to vote money for the purpose of equipping three tot lots with swings, teeter totters, etc. Capt. Berger informed Council that slightly over \$1,500.00 would be required to equip one lot, if the equipment was purchased. Council then approved plans from the RCE, also outlined by Capt. Berger, which showed how the same type of equipment could be constructed for approximately \$500.00 per lot on a self-help basis. After the chairman explained the difficulties that would be experienced in operating wading pools, Council decided against them at this time.

* * *

Renovations to the Snack Bar were discussed. Services Committee chairman advised that plans were still awaiting AHQ approval.

* * *

The Library Committee reported that shelves and books have been moved into the building, and the library should open in about a month. Council instructed the Committee to circularize residents asking for donations of books.

LUCKY THIRTEEN

These youngsters, thirteen of the highest qualified of the Griesbach Pedal Pusher Club, walked off with the top award at the recent Pedal Pusher Roadeo sponsored by the Alberta Safety Council. The children, pictured from left to right are: Jerry Stubbington, Patricia Duran, Ruth Irving, Julie Palmer, Shila Roe, Pamela Langley, Robert Webb, Carolyn Webb, Terry Sheppard, Sandra Clark, Maxine Chaulk, Roger Durand and Master Rider Brenda Skelton. Background is Cpl. Stubbington, Club Instructor; Mr. Lawrence, Manager, Alberta Safety Council, and Major R. I. Luker, Command Provost Marshal.

LOCAL CYCLISTS AMONG BEST

Here we are at the end of another Pedal Pusher Club season. There have been many inquiries as to what this club means. The main function of the Pedal Pushers' Club is to teach the children how to ride and maintain their bicycles; also the safety rules and regulations of street and road riding.

Training —

The training consists of five one-hour lessons in hand signals and safety rules, riding through and around obstacles, balancing exercises, road courtesy and group precision riding.

Testing —

Every Pedal Pusher member is run through a series of six different tests, which are judged by twelve neutral persons. The score is started at 0 and mistakes are tallied by adding points so that the contestants who maintain the lowest scores win. The member with the lowest score in the club finals competes in the Roadeo against other Provincial contestants for the Grand Prize of Master Rider of Alberta.

The next twelve runners-up ride as a group with master rider to compete for decorative formation riding and group bicycle decoration in the Roadeo Parade, Griesbach Club Prize Winners.

The finals took place on Sunday, June 5th and scoring in order was as follows:

Our Master Rider — Brenda Skelton.

Parade group includes: Brenda Skelton, Ruth Irving, Robert Webb, Pamela Langley, Sandra Clark, Carolyn Webb, Roger Durand, Maxine Chaulk, Julie Palmer, Patricia

Durand, Terry Sheppard, Sheila Roe, Terry Stubbington.

Prize winners for school grades:

Pre-school — Grade 1

1. Robert Langley — Pre-school.
2. Daryl Stubbington — Kindergarten.
3. Wallace Chaulk — Grade 1.
4. Roger Leveque — Grade 1.

Grade 2

1. Patti Swan
2. Peter Commance
3. Randy Waterton
4. Debbie Jowett

Grade 3

1. Charlene McGowan
2. Sharon Carpenter
3. Brenda Cunningham
4. Shelley Miller

Grade 4

1. Hillary Kemsley
2. Diane Astles
3. Barbara Silcox
4. Patricia Schallmeyer

Grades 5 and 6

1. Anne Canning
2. Hanny Vangyn
3. Jeanette McDonald
4. Helen Holowinko

Conclusion —

The afore-mentioned Master Riders and Parade group participated in the Pedal Pushers' Roadeo on Sunday, June 19th, held at the Prince of Wales Armouries. Our group this year took top honours for decorative formation riding. The 1959 group took first prize for the best decorated bicycle group. Our prize this year for formation riding is considered superior to that of the bicycle decoration we received in 1959.

Our Master Rider, Brenda Skelton, ran fourth in the Provincial finals, so just

missed out as far as the prizes were concerned. Those of us who watched Brenda go through her tests, know that she made a valiant effort and we all commend her for it.

The plaque we received this year will be displayed at School No. 1 along with the 1959 plaque.

The co-operation and assistance of all parents of the children in this group is appreciated.

A passing word from your instructor; a good and safe riding year ahead and hope to see you all next May for another try at the Grand Prize of Master Rider for the Province of Alberta. With such warm-hearted enthusiasm from the children as was evident this year, how can we miss?

Good luck and good cycling.

Cpl. H. E. Stubbington.

CHAIRMAN REPORTS

(Continued from page 2)

"Boys' hockey enjoyed a successful season with 145 boys registered. Approximately \$782.00 was provided from Association funds for hockey and operation of the rink. Council has put forward a request to Alta Area for rink lighting improvements.

"Baseball appears to be away to a good season with 60 boys playing in the Little League, in addition to one Pony League team. \$200.00 has been provided from our funds to assist in their operations.

"The Small Bore Rifle Club started the season with 24 children participating. Council provided them with, approximately, \$58.00 to assist in their activities.

"The Boys' Boxing Club enjoyed a successful season with 45 boys enrolled. Council provided the Club with \$50.00. Our Ways and Means Committee co-ordinated arrangements for the Club's boxing show and \$85.00 was realized from this activity.

"Our welfare Committee made well over 200 visits to new residents to welcome them to Camp and inform them of the various Camp services and activities. The Committee also investigated the possibility of giving highland and tap dancing lessons and, if sufficient children are interested, these lessons could possibly start this fall.

"Our Ways and Means Committee conducted 5 ladies' Bingos and realized approximately \$1,000.00 profit. These bingos were well attended with around 250 ladies each time. The one criticism that was heard was that they should start earlier in the season, perhaps in September. Receipts from the Community Fair were below expectations, netting only \$170.00. However, all who attended seemed to enjoy themselves, and the Fair appeared to be successful in that respect. Difficulty in getting the tickets printed accounted, in part, for the small return of \$38.00 from the raffle. All in all, however, almost \$1,300.00 was raised by the Ways and Means Committee since January.

"Our Property and Equipment Committee made an inventory and appraisal of all Association property and equipment. The accounting procedure was revised and tightened up.

"The Ballet Committee reported another

Dress Making and Alterations.

Phone GR 9-4623, 10308 - 149th Avenue.

successful season. Miss Woodcock was again the teacher, and 65 children registered for classes. The ballet recital was sponsored by the Association and showed a small profit of approximately \$21.00.

"Installation of a soda fountain and other renovations to the Snack Bar costing \$250.00 is awaiting AHQ approval. The Association will pay \$150.00 and MLS \$100.00.

"The Association have taken over the centre portion of the Post Office building for use as a community library. Shelves are in and books are being sorted. The library is scheduled to open on July 20th. It is planned to hold an official opening ceremony at that time. To date \$40.00 has been provided to assist in getting the library under way, but it is expected that more money will be required.

"Council approved the purchase of the former Precision Construction Co. office for \$500.00. The building is valued at \$2,000.00 and Council considers it was a good buy. The building is located on 149th Avenue near 107th Street. \$25.00 per year must be paid to DND for utilities. Plans are under way to open a NOT NEW Shop in the building. Council have engaged WO 1 and Mrs. Delaney to operate the shop on a three-month trial basis. Council has allocated an additional \$300.00 to cover necessary renovations, screens for the windows, insurance, etc.

"Some assistance was also extended to the Girl Guides and the Teen Club. Two record players and records, costing \$100.00, were provided for the Guides. Council underwrote the Teen Club for \$25.00 to cover cost of a bus to transport the Club to Namao for a dance. Two 75-cup coffee urns were purchased at a cost of \$90.00. One urn has been placed in each School for the use of organizations using the Schools.

"This completes my report and I would welcome any questions you may have regarding any portion of the report.

"Thank you."

If you become tired while swimming, preserve your strength by treading water, floating or swimming slowly on your back. If you doubt your ability to reach shore, attract attention by splashing and calling for help.

"FEU-DE-JOIE" . . . Soldiers of the 1st Battalion, Queen's Own Rifles of Canada fire a rippling volley of shots in a "feu-de-joie" held at Calgary, Alta., as part of Army Day celebrations which the Queen's Own combined with their 100th Anniversary year.

(National Defence Photo)

PROMOTED

Griesbach, Alta., June 15. — Lieutenant George Charles, CD, of Winnipeg, will be promoted to the rank of captain on July 1st, it was announced by Army Headquarters.

An officer of the Royal Canadian Electrical and Mechanical Engineers, Captain Charles is now employed with Western Command headquarters, Edmonton.

Capt. Charles enlisted in the Regular Army as a Private in 1939 prior to the war and saw service in Newfoundland, the United Kingdom and Northwest Europe. Since the end of the war he has served in various centres across Canada including the Northwest Highway System at Whitehorse, Y.T., and Dawson Creek, B.C., from 1956 to 1959.

His wife, Phyllis, and daughter Barbara Ann, live at 10116 - 148th Ave., Edmonton.

TO AHQ

OTTAWA. — Major E. J. Williams, CD, of Calgary, has been promoted to the rank of lieutenant-colonel and appointed General Staff Officer (1st Grade) in the Directorate of Survival Operations and Plans at Army Headquarters, Ottawa.

An officer of the Princess Patricia's Canadian Light Infantry, Maj. Williams is now General Staff Officer (2nd Grade) at Headquarters, Eastern Command in Halifax.

Swimming alone, and after dark, are two dangerous and stupid practices that often result in tragedy. Confine your swimming to the daylight hours, and always have someone with you.

Brigade Wins Safety Award

SOEST, Germany. — The Pearkes Trophy, a Department of National Defence award for traffic safety, has been won by the 4th Canadian Infantry Brigade Group in Germany.

The annual trophy was awarded to Canada's 5,500-man NATO Brigade for showing the greatest improvement in accident rate of any unit or formation in the Defence Department for the year 1959.

Last year, Canadian Army trucks, jeeps and commercial pattern vehicles travelled 9,057,888 miles on German roads with 3.1 accidents per 100,000 miles. The accident rate for the year 1958 was 4.8 per 100,000 miles.

The annual improvement of 1.7 in the accident ration was greater than for any other military unit or formation in the three armed forces or the Defence Research Board.

The Pearkes Trophy was presented to the Minister of National Defence by the Automotive Transport Association of Ontario in appreciation of the contribution made by the armed services through participation in the National Truck Roadshow competitions during the years 1948-57.

RECEIVES PROMOTION

OTTAWA, May 26. — Major H. A. Snelgrove, CD, of London, Ont., and Edmonton, Alta., has been promoted to the rank of lieutenant-colonel and appointed Assistant Adjutant General in the Directorate of Organization at Army Headquarters, Ottawa.

An officer of the Princess Patricia's Canadian Light Infantry, Maj. Snelgrove was Deputy Assistant Adjutant General in the Directorate of Manning at Army Headquarters.

Town Talk

By Gloria Honey

This month marks the end of the season for most community organizations. Naturally everyone is talking about leave periods and new postings. Whichever concerns you — may you enjoy it to the fullest.

The fifth annual recital entitled "Ballet in miniature" ended a very profitable season for the students of Miss Marilyn Woodcock, M.R.A.D. Under her capable direction, the two-hour recital was staged in the school auditorium on May 27th and 28th. There was something for everyone. For the younger set, such favorite nursery rhyme personalities as Little Bo Peep, Jack and Jill and Mary, Mary, Quite Contrary. Part two of the ballet featured Dances of Many Lanes and dances showing the serious side and fundamentals of ballet. The lovely Liebestraum, by the senior students, climaxed the recital which had taken on a near professional air.

Major Henney extended thanks on behalf of the community for the well-staged, very colorful entertainment and presented Miss Woodcock with a bouquet of mixed flowers.

The Ballet Committee reports that the financial statement is complete and now you will be interested to know that the net proceeds were \$164.20. — Expenses \$117.17. Profit therefore was \$47.30. Because Miss Woodcock gave many extra hours of free lessons to prepare the students for the recital, the Griesbach Association gave her a gratuity of \$30.00. The balance to be added to the ballet fund is \$47.30 from this year's ballet recital.

Are you thinking of having a coffee party soon? You know, a coffee party affords a simple way of entertaining informally before noon. It is usually held in the living room and the coffee set is arranged on a table from where the hostess may pour the coffee. The menu is simple. There should be an assortment of not more than two types of hot bread or coffee cakes. Unusual jams, jellies, marmalades and honey provide attractive sweet accompaniments. The coffee should be carefully made and topped with whipped cream, sprinkled with cinnamon or nutmeg will provide an interesting note.

Here is a coffee cake recipe you might like to enjoy:

Mix together $\frac{3}{4}$ cup sugar, $\frac{1}{4}$ cup soft shortening and 1 egg. Stir in $\frac{1}{2}$ cup milk. Sift together and stir in $1\frac{1}{2}$ cups flour, 2 teaspoons baking powder, $\frac{1}{2}$ teaspoon salt. Bake at 375° for 25 to 35 minutes. Have ready the following topping: $\frac{1}{2}$ cup brown sugar, 2 tablespoons melted butter, $\frac{1}{2}$ cup chopped nuts. Spread on warm cake and put under broiler for about 5 minutes.

* * *

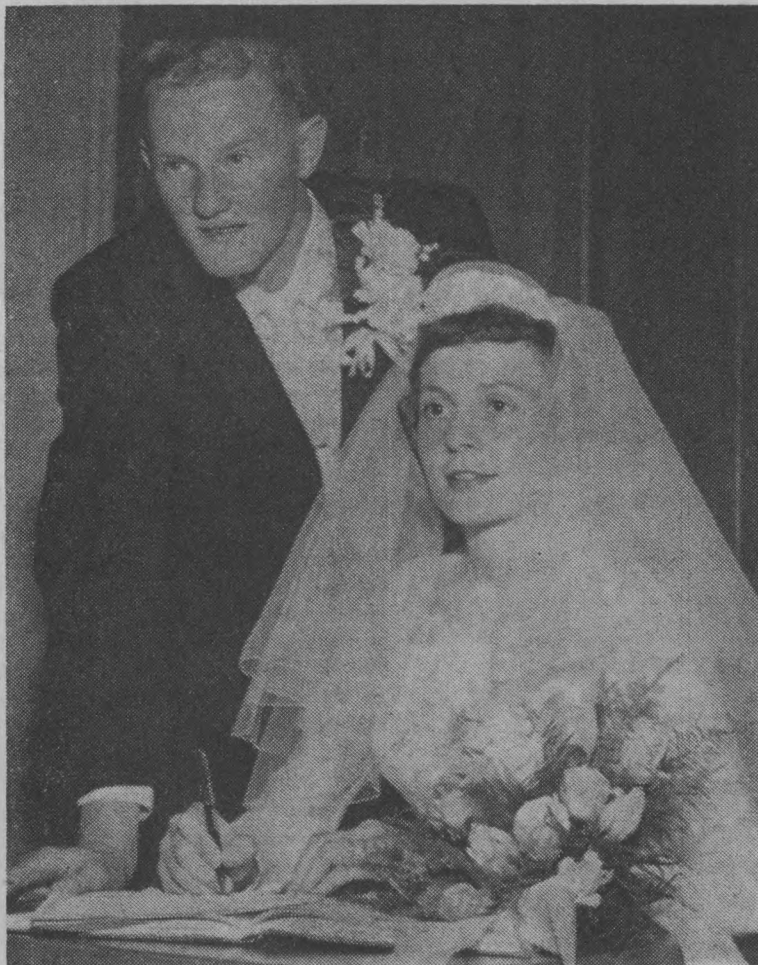

On June 17th the members of the C Pro C in the Edmonton area held a mixed all ranks dance in the lounge of the PT Building, to celebrate the 20th anniversary of the founding of the Canadian Provost Corps. Credit for its success goes to the members of the committee for their excellent work in organizing and running an enjoyable affair. Well done, committee.

* * *

When choosing a swimming partner, choose someone of equal ability to your own. A better swimmer might not be around when you need him most. Remember the safety rule: Never swim alone.

Major-General and Mrs. G. Walsh cut the cake at the 20th birthday party of the Canadian Provost Corps. Others in the picture are from the left: L/Cpl. A. J. Ryan, Edmonton Pro Det.; Capt. R. W. Lawlor, Commandant 10 SDB; Maj.-Gen G. Walsh, GOC Western Command; Mrs. Walsh; Mrs. R. W. Lawlor; Mrs. R. I. Luker, and Major R. I. Luker, Command Provost Marshal, Western Command.

TOWN TALK

EDMONTON, Alta. — A reception in Limestone Lake Hall, Andrew, Alta., followed by the marriage of Miss Irene Mendiuk, daughter of Mr. and Mrs. William Mendiuk of Andrew, to Ronald Kristjan Freeman, son of Warrant Officer Class I and Mrs. R. E. Freeman of Edmonton, Saturday, May 28th.

A double-ring ceremony with nuptial mass was conducted by Rev. Father Dobbin in St. Joseph's Cathedral in Edmonton.

Given in marriage by her father, the bride's only jewelry was a gold cross, gift of the groom, and pearl earrings. She chose a full-length silk organza princess-line gown with lilly-point sleeves and a scalloped neckline in French lace trimmed with seeded pearls and iridescent sequins. She wore a double chapel veil from a French lace cap trimmed with seeded pearls and carried a semi-cascade of white roses.

The maid of honor was Miss Emily Mendiuk of Edmonton, sister of the bride, and Ben Mendiuk of Redwater, the best man.

Junior bridesmaids were Miss Lorraine Freeman and Miss Elizabeth Mendiuk who wore identical mauve embossed nylon cocktail dresses. Ushers in attendance were Jack Thompson and Adolph Poniewozik of Edmonton.

Following a honeymoon in Banff, the couple will live in Edmonton.

GRIESBACH SGTS. LADIES' CLUB

The monthly meeting of the Sgts. Ladies' Club was held in the Sgts. mess June 8th. The meeting was opened by the outgoing president, Mrs. Taylor, who welcomed all the members.

The new executive elected at the May 11th meeting, are as follows:

President — Mrs. Donahue
Vice-President — Mrs. Beck
Secretary — Mrs. Henderson
Treasurer — Mrs. Mazuik

At the last meeting all the girls came dressed to represent a song. They all paraded around and sang the songs they represented. Judges selected Mrs. McKencher and Mrs. Donahue for their costumes.

Everyone enjoyed the skit about two old spinsters in a bar, put on by Lee Taylor, Marion Taylor and Bert Henderson.

The next meeting, July 13th, is a scavenger hunt. So come in your slacks, girls. We would like to see all the ladies come out for this.

Farewell to Mrs. Illingworth, who is leaving for the Frozen North. (Don't forget your snow-shoes).

A vote of thanks is extended on behalf of all members to Mrs. Taylor and her executive for a job well done.

Parents — Here's a safety rule for young children. Make sure they wear life jackets whenever they go out in boats.

AGENT
FOR

TO 4 CIBG

OTTAWA. — Lieutenant P. A. H. Dupille of Edmonton, will be posted to the Public Relations office of the 4th Canadian Infantry Brigade Group in Germany this month, Army Headquarters announced recently.

An officer of the Princess Patricia's Canadian Light Infantry, Lieut. Dupille is now assistant photo editor in the Directorate of Public Relations at Army Headquarters, Ottawa.

PUBLIC SUPPORT FOR POLICEMEN

The Ontario Department of Transport has launched a campaign to stress the essential role of law enforcement officers and the public is being urged to assist the traffic officer prevent accidents by obeying the traffic laws.

While it may sometimes seem otherwise, the traffic policeman is not the sworn enemy of drivers. They do not get a bonus based on the number of tickets they write and traffic officers are not perpetually angry.

They are just working people like the rest of us, hoping for an easy day while they go about their duties, and they are a very necessary part of modern society. Try to imagine what a shambles our streets and highways would be if there were no traffic police.

Traffic laws are passed by legislators, usually provincial and municipal and these laws are designed to keep traffic moving and at the same time keep drivers reasonably well separated, but the law-makers cannot anticipate every circumstance.

For instance, take speed laws. The speed limit in Edmonton is 30 mph, except where otherwise posted, and there are signs hung all over the place advertising the fact. This means, in effect, that you are within the law as long as you stay under 30. However, there are times when road conditions are such that 10 mph could be a reckless rate of speed. In fact, there are some conditions under which ANY speed would be reckless — but still the sign hangs on its post for all to see, saying 30 mph.

EXCEPT the use of knowledge and skill and then the only law we can count on in the matter of staying out of trouble and alive is the law of common sense.

The traffic policeman can only "go by the book", but we have a lot more than the book to go by. If every driver would

remember and practice the original concept of safety — "Safety is an automatic by-product of the correct performance of any given task" — and will drive their vehicles accordingly, we need never worry about unwelcome attention for the minions of the law.

the "natural laws", such as those governing the "natural law", such as those governing "friction", "kinetic energy", centrifugal force" and "gravity", we need never worry about violations of man made laws. Do not contact that curious disease that is called "motor mania" for the final story will be typical and could be tragic, when you consider how many people die in Canada because at least some of the symptoms of this disease was present, not to mention the million and a half whose injuries kept the doctors busy.

All we have to remember is that courtesy is contagious and that, by our actions as drivers, we treat other drivers to large and beneficial doses of it and to also remember that laws and law enforcement are very essential to the safety and security of our community.

PROVOST NEWS

On May 19th and 20th members of Western Command Provost Company and 10 Service Detention Barracks got together for the Annual Provost Marshal's Shoot. This is an annual competition for both individuals and teams in pistol and sten gun, open to all members of the C Pro C. This year's event drew competitors from Victoria to Winnipeg. Weather favoured us and some reasonable scores were turned in. Final results are notified from the office of the Provost Marshal.

* * *

Recently many complaints have been received at Edmonton Provost Detachment concerning the theft of money from milk bottles in the PMQ area: If the following advice is followed incidents of this nature may decrease.

1. Do not leave money in milk bottles.
2. Purchase milk tokens. (This will not completely stop the theft, however it is much less tempting than cash in the bottles).

3. Keep an eye out for persons who may be removing money from the bottles. Even if you do not see who took the money, you will be able to provide a description of persons who may have done it. Remember, anything you may provide, may help. A good policeman is only as good as the information he receives. Help us to help you.

Changes in Search For Talent Shows

Several major changes, including the introduction of adjudication and the elimination of voting, will be made in the 1960-61 Search for Talent Shows now being organized for the fall and winter season by the Associated Canadian Travellers and Radio Station CFRN. Ernie Snead, general chairman of the A.C.T. Northern Alberta Crippled Children's Fund, made this announcement following a meeting of the A.C.T. Executive held in Edmonton recently.

Mr. Snead stated that the present format of the Search for Talent Shows has been in effect for thirteen consecutive years and that some major changes, in keeping with the trend of the times, had to be made. In making this decision the A.C.T. Executive took into account the known fact that much excellent talent has failed to come to the fore in the various communities because of the voting and popularity element attached to each show.

As a result, music teachers, band and orchestra leaders, church choir leaders, teachers and many parents of talented children, felt reluctant to have their proteges participate, Mr. Snead stated. In fact, he said, adults appearing on stage were rare because the contests were not based entirely upon quality but upon "ability to buy votes." He added that the removal of this feature of the show will encourage the best talent, young and old, in each community.

An adjudicator will accompany the A.T.C. crew from Edmonton each Saturday, and the winners will be announced at the conclusion of each show with the judge giving the reasons for the choice.

The contestant winning first place will automatically represent that community at the semi-finals, which will once again be held by regions.

A panel of judges will be on hand for the finals and the ultimate winners will be eligible for the CFRN Music Scholarship as well as other attractive prizes, including appearances on television.

Mr. Snead stated that with the elimination of floor votes there will be no follow-up voting by mail either. However, he stated that donations of appreciation following each broadcast will be accepted as before. Similar donations of appreciation not only for the entertainment provided, but also for the cause of Crippled Children, will be accepted at the shows as well.

Formerly with COMD

OTTAWA, May 30. — Major J. J. L. A. Gaumond, CD, of Quebec, Que., will be posted to the Canadian Army Staff at SHAPE, Paris, next month, Army Headquarters announced recently.

An officer of the Royal 22e Regiment, Maj. Gaumond is now Deputy Assistant Adjutant General at Headquarters, 4th Canadian Infantry Brigade Group in Germany and previously held the appointment of GSO2 (SD) at Headquarters Western Command.

INFRA-SAFE

An infra-red radiant heater attaches to the wall or ceiling and provides heat for those cold spots in the home, office or plant. It gives heat immediately — there is no waiting for heat to come up or air to warm up and Infra-Safe does not dry out the air. The expensive quartz tube, which is the heart of the unit, carries a one year guarantee, and the whole heater is CSA Approved.

20th Birthday Celebration

On Friday, June 17th, members of the Canadian Provost Corps in the Edmonton Area celebrated the 20th birthday of the Corps at the PT lounge, Hamilton-Gault Barracks.

Special guests at the party were: GOC Western Command Maj.-Gen. and Mrs. G. Walsh; Chief of Staff HQ Western Command, Col. N. H. Ross; AAG Western Command, Lieut.-Col. and Mrs. G. G. Greens; Comd Chap (RC) Lieut.-Col. L. S. Ritz; and the DAAG HQ Alberta Area, Major and Mrs. I. Smith.

In all approximately 200 persons attended and from all reports everyone had a most enjoyable time.

COPYFLEX MODEL 60

This is a high speed copying machine which can be teamed with a collator that assembles copied materials in correct sequence. The machine, designed for high volume production of letter-size copies, integrates printing, cutting and stacked delivery of any desired number of copies in one continuous mechanical operation — an operator has only to set the speed and counter dials. A collator can be used in conjunction with the Copyflex automatically assembling the copies as they emerge from the machine.

ST. JOHN'S CHAPPEL CHURCH NEWS

Schedule of Services:

JULY

July 3rd, 1000 hrs., Morning Worship.
July 10th, 1000 hrs., Morning Worship.
July 17th, 1000 hrs., Morning Worship.
July 24th, 1000 hrs., Morning Worship.
1100 hrs. Holy Communion UCC.
July 31st, 1000 hrs., Morning Worship.

AUGUST

August 7th, 1000 hrs., Morning Worship.
August 14, 1000 hrs., Morning Worship.
August 21, 1000 hrs., Morning Worship.
August 28, 1000 hrs., Morning Worship.
1100 hrs. Holy Communion UCC.

No Communion Services (ACC) will be held throughout July and August, but there will be a celebration of Holy Communion (UCC) on July 24th and August 28th at 11:00 a.m.

You are reminded that during the months of July and August we are changing the normal time of Sunday morning services to 10:00 o'clock to enable those who wish to take advantage of the good weather (?) to get away a little earlier. The fact that we are entering into the holiday season should not affect our attendance at Church at all. This is the time of rest; rest from the routine business of earning a living. If anything, we should be thinking about our life and the road we are taking and you cannot do this without including the One who made it all possible. Just try to remember that the very word holiday is a rather misused "holy day."

To the wives whose husbands are absent at summer concentration, I can only say one thing: try to be patient and try to relax. Your husbands will be back at the end of July and then you will have them for a month all to yourselves. After all, they are not off having fun but are earning a living for you and your children. By the time you read this, I will be in Camp Wainwright and I can assure you that all your husbands will be attending Church services every Sunday. You cannot be with them physically but the least you can do is to pray with them and that means that you too should be attending Church every Sunday. I do hope and pray that when I get back from Wainwright, I will find Lt./Col. Carson and Capt. Nickerson completely worn out from having to handle so many people every Sunday.

To the children, and I hope the parents will get them to read this, I have but this to say: summer is a very difficult time for your parents and for yourselves. Ten months of the year your energy is directed towards your school work, how suddenly you find yourself with no studying to do and at loose ends. Do everything you can to keep yourselves usefully occupied by helping around the house, cutting the grass and any one of a dozen other small things you can find to keep out of trouble. In this way, you will find that the adult

temper is much sweeter and your whole summer holiday will become that much more pleasant, and do try using the playing fields instead of the streets to work off your surplus energy, it's much safer. Above all, remember you have a job to do and that job is to make the summer as easy and as restful as possible for your mothers so that they can be ready to tackle the long fall and winter season ahead.

THE PADRE.

2nd Griesbach Brownie Pack

Brown Owl, Mrs. Church

Maam Commissioner, Mrs. McPherson, was our guest of honour on June 3rd. As this was her last visit to us she was presented with a small gift in appreciation of the help she has given us.

We had a very interesting meeting, with five Tweenies being enrolled:

Roxana Lessard, Roma Leveque, Linda Stewart, Sheila Ward and Kathleen Church.

Kathleen was enrolled with the same Brownie Pin, with which Brown Owl Church had been enrolled with as a Brownie.

Diane Ahearn received her Golden Bar.

Shirley Crerar — 3rd year star.

Patricia Meisner — 2nd year star.

Betty Jeffrey — 1st year star.

Congratulations, Brownies!

After the ceremonies B/S/Sgt. Church entertained the Brownies and parents with coloured slides of Germany.

June 24th was our last meeting of the season, so have a Happy Holiday and do remember your safety rules. See you all again in September.

4th Griesbach Brownie Pack

We have all been very busy since our last report. Everyone thoroughly enjoyed the mother and daughter banquet and the combined rally held recently. In addition, we had a somewhat cold but interesting "treasure hunt" instead of the regular meeting one evening. Some Brownies showed a tendency to get lost — but as the "hunt" ended at Brown Owl's house with soft drinks and cookies — all's well that ends well!

Congratulations to the following girls who have been working especially hard and have earned more badgs.

Golden Hand — Mary Lawlor.

Golden Bar — Sandra Williamson.

1st Year Star — Sharron Hummell, Jo-Anne Stewart, Janette Stewart and Linda Mayan.

Collector's Badge — Jo-Anne Plumley, Judy Ward, Jo-Anne Stewart and Janette Stewart.

Signaller's Badge — Janice Cunningham.

Swimmer's Badge — Brenda Skelton.

Cyclist Badge — Sandy Sim, Jo-Anne Plumley, Cheryl Turner, Charlotte Mayan.

Writer's Badge — Janette Stewart and Jo-Anne Stewart.

The Pack said good-bye to Cheryl Turner recently when she "flew up" to Guides. Good luck, Cheryl! We now have Janice Cunningham as Sixer of the Fairies and Janette Stewart as Second.

Tawny Owl, Mrs. Turner, would like to express her thanks to the Brownie and Guide Mothers' Local Association for the pretty leaving gift she received. We will

5th Griesbach Brownie Pack

Mrs. Rita Mann — Brown Owl

Since our last report our interests and activities have been varied and many.

Our Mother and Daughter Banquet on May 13th was a great success with practically all our Mothers being in attendance. Thank you, Mothers, for coming out on such a blustery rainy night. Thanks also to 2 PPCLI who provided us with such a sumptuous banquet, and thanks again to the Fathers who waited on us.

On June 11th we attended the Rally of Cubs and Scouts, Brownies and Guides at the PPCLI Parade Square, complete with music by the PPCLI Band. Mr. Rice, Manager of CFRN, took the salute and afterwards read us a letter from one of the Cherokee Indian Scouts who was up in Edmonton last year, which we all enjoyed. A mammoth bonfire with a sing-song, and wieners and cokes completed the day.

On June 20th we wound up our Pack year with our own Wiener Roast, and as we sang "The Happy Wanderer", we were busy thinking about all we will do, or try to do next year when our Brownie Pack re-opens in September. See you all then! Have a happy holiday.

CONFERENCE OF SCHOOL PRINCIPALS

July 11th — July 12th

Mr. H. F. Ulmer, Principal of the Griesbach School No. 2, is one of 70 school principals meeting at Concordia College in Edmonton for two weeks, beginning July 11th, to study problems of educational leadership in local communities. His membership in this special leadership course for school principals, being conducted as a part of the University of Alberta Summer Session, is sponsored by the Griesbach School Board.

The course is a co-operative venture of the Alberta School Trustees' Association, the Alberta Teachers' Association, the Al-

soon be saying good-bye to both Tawny Owl and our Packie, Sharon Parker. I'm sure we will miss you both very much.

On behalf of the Pack, I would like to thank very sincerely the people who have helped us during the year. Our Badge Secretary, Mrs. Sheppard; Mrs. MacPherson, our Commissioner, and the various Badge Testers. A big thank you to all of you, we do appreciate your help and interest.

Audrey Moseley,

Brown Owl.

berta School Inspectors' Association, the Alberta Department of Education, and the Faculty of Education, University of Alberta. A grant from the W. K. Kellogg Foundation through the Canadian Education Association has been received to help finance the project.

Sixty-three city, county, divisional, and independent Alberta school systems will be represented. Representatives from the Saskatchewan Teachers' Federation, the British Columbia Teachers' Federation, the Alberta Teachers' Association and the Indian Affairs Branch of the Department of Citizenship and Immigration will also be in attendance.

Within the overall aim of working toward better education for children in the schools, the course is intended to serve four purposes: (1) to provide an opportunity for further exploration of problems in educational administration and supervision; (2) to provide an opportunity for individual members to form definite plans for later local action; (3) to provide members with an opportunity to gain further understanding of philosophies and techniques of leadership; and (4) to stimulate the inter-communication of educational ideas and practices between various schools and administrative areas.

FIRE CALLS

224 Workshop RCME

Activity in the workshop for the month of June has been centered around preparations for the Area Commander's Inspection which took place on June 20th.

S/Sgt. Mel Prentice pulled up stakes and is heading East to 202 Base Workshop, Montreal, after spending 8 months with us. Soon to follow suit will be S/Sgt. Tinman to 202 Base Workshop, Montreal, and Sgt. Bill Fagan to No. 1 Company, London, Ont.

Capt. Roddick, Cfn. Alexanderson and Cfn. Desrochers have gone to Wainwright for the Summer Concentration.

We extend our condolences to Cfn. Code and Cfn. Roenspiess on their recent bereavements.

In brief — Cfn. Buckley has been discharged from hospital; he is now on recuperation leave. We understand Bob Greig

will soon be attending the Military Intelligence School at Camp Borden. Mrs. Fifer spent an enjoyable leave prior to her husband's departure for the Middle East. Cfn. Eden is attending an aircraft maintenance course.

Our congratulations are offered to Sgt. Joe Warrington and L/Cpl. Jim Post on their recent promotions. Joe will shortly be moving into PMQs.

Mrs. Davis is proudly sporting a brand new Vauhall — appropriately on the heels of confirmation of Civil Servants' pay increases.

13 Coy RCME report Sgt. Barker as duty posted to Provincial Warning Centre for a few months.

Friends of Miss Audrey Sherbick warn us to give her free title to all roadways pending completion of a driving course she is taking.

Artistic talents of Mr. Karesa have not

gone unnoticed around the shop, with several attractive reminder strategically placed and very much admired.

Alberta Signal Sqdn.

Alberta Signal Squadron now has three new Corporals in the unit. The following received their promotion on the successful completion of their Junior NCO Course at Camp Wainwright: Cpl. F. Gero, Cpl. K. Roenspies and Cpl. N. Adams. Cpl. Adams has since left Edmonton Message Centre and been posted to Whitehorse Sig Troop. We also have two new L/Cpls. in the Squadron, L/Cpl. Williams employed at the Tape Relay Centre in Calder, and L/Cpl. Comeau of the Line Section. Congratulations are extended to all. Congratulations are also in order on the promotion of Sgt. Johnson.

As old sayings will have it, June is the month for weddings and we just had to go along with the old custom. Miss P. Bowen, a Civil Servant employed in the

Message Centre for sometime now, was married on the fourth of June in the Grace Lutheran Church in Edmonton. She was married to Mr. Harold Ross of Edmonton. All the staff employed in the Squadron would like to extend their congratulations to Mrs. Ross and wish her the best of luck. Cpl. Seddon of the Tape Relay Centre has decided to team up also. On June 16th Cpl. Seddon and Miss M. Tchir, a Civil Servant employed at the Tape Relay Centre, were wed. Congratulations to Cpl. and Mrs. Seddon.

May and June seem to be the months for Sigs personnel to rest up for a while after a hard winter. Admitted to hospital were WO1 Stevenson, May 17th to 26th; Cpl. Berg from May 30th to June 10th; Cpl. Bain from June 10th to June 18th. However still in hospital is Sgt. Ernest who was admitted on June 2nd. While on the subject of hospitals, it has been brought to our attention that one of our Sgts. believes in getting a manicure with a power lawn mower. How are the fingers, Pat?

We guess that you could compare the Signals Fast Ball team with the Philadelphia Phillies in the Major Leagues

SPORTS PAGE

WINNERS OF H.A. GOLF TROPHY

With an able assist from the golfers of the Western Command Officers' Mess, the Sergeants' Mess came up as the winning team in the H.A. Trophy tournament. Pictured above (left to right) are — S/Sgt. Salmond; WO2 McIntosh; Sgt. Millbraith; WO1 Casselman; WO1 Clarke; WO1 Armstrong; S/Sgt. Thompson and Sgt. Meeks.

GOLF NEWS

Knock-Out Tournament

A knock-out Golf Tournament, which commenced early in May, terminated at the 20th hole on June 11th.

A total of 42 golfer took part and when all eliminations were complete, two players were left to battle out for the winner's spot. Mr. J. Roe and Capt. P. Werth were the finalists. The contest between them was not decided until the 20th hole with Mr. Roe taking the spoils.

This is an excellent type of tournament to encourage maximum participation. It is hoped to have at least one more tournament of this type before the season ends. The other semi-finalists were Lt. Honey and Sgt. J. Thompson.

Honey Pot Tournament

A Honey-Pot tournament was held at the Riverside course on Thursday and Friday, June 9th and 10th. For once the weather was kind and there was a large turn-out of participants.

This tournament was another first for the Griesbach Golf Club and it was scored in the following way:

- 1 point for a bogey (one over par).
- 2 points for a par.
- 3 points for a birdie (one under par).
- 4 points for an eagle (two under par).

Two players were teamed and their total handicaps were added to any points scored as above. Players completing the 18th hole with the greatest number of points, were adjudged the winners.

Names of winners by divisions are as follows:

- Capt. Buxton - Maj. Cochrane 40-49.
- Cpl. Bain - WO2 Whitworth 50-59.
- WO2 Charles - S/Sgt. Cheale 60-over.
- Capt. Wozny and Lt. Davidson — high hidden hole.
- Pte. Doucette and Const. Andres — low hidden hole.
- Sgt. Lloyd — most honest golfer.

Griesbach Ladies' Softball

Initial practice schedule for the Ladies' Softball Club has been drawn up and is as follows:

- Friday, July 8th — 6:30 p.m.
- Tuesday, July 12th — 6:30 p.m.
- Friday, July 15th — 6:30 p.m.
- Monday, July 18th — 6:30 p.m.

Participants will meet at PMQ 437 and proceed to the practice area.

All newcomers interested in joining, can register at any of these games.

Griesbach Garrison Softball League

Following is a scoreboard for the six teams participating in the softball league this season, covering the first part of the schedule which ended June 16th:

Team	Won	Lost	Pts
10 SDB	4	1	8
13 Wks RCE	4	1	8
HQWC	3	2	6
17 ROD	3	2	6
Alta Sigs	1	4	2
14 Coy RCASC	0	5	0

INFORMATION FOR NEW ARRIVALS

You may join the Griesbach Garrison Golf Association for two dollars. For this, you may play on the Riverside Municipal Golf Course for fifty cents, use the Driving Range and practice course, and participate in all tournaments. For full information, contact 10 SDB (Lt. Harrison) Phone GR 9-8411, Local 289, during working hours, or Local 291 out of normal working hours.

The Lancaster Park Golf Course at RCAF Station, Namao, is a new 9-hole course, for which membership may be available for the balance of the season. Contact Lt.-Col. T. J. Green at GR 9-8411, Local 576, or Capt. D. S. Buxton at GR 9-8411, Local 302.

Robert Webb of the Griesbach Area Rifle Club is presented his Dominion marksmanship award by the club's chief instructor, Major Bill Stutt, PPCLI, while the only female member of the club, Linda Paul, looks on. The club teaches safety in handling firearms first, and marksmanship second. (National Defence Photo)

SOCCER

The Griesbach Boys' Soccer Team (usually referred to in the newspapers as the PPCLI Junior Team) is still struggling along as we go to print. This is our first year at junior soccer in Griesbach and we still have a lot to learn. However, the team is still turning out strong and win or lose, the boys are learning something about the game and how to be good sports.

The following games have been played up to June 20th:

- May 16—Griesbach 0; Prince Charles 3.
- May 18—Griesbach 1; Westwood Jets 3.
- May 23—Griesbach 0; Dovercourt 10.
- May 25—Griesbach 0; Kingsway Clippers 2.
- May 28—Griesbach 2; Westwood Rovers 5.
- May 30—Griesbach 2; Namao Sabres 0.
- June 1—Griesbach 0; Namao Boxcars 0.
- June 15—Griesbach 0; Westwood Rovers 9.
- June 18—Griesbach 7; Westwood Jets 0.
- June 20—Griesbach 0; Dovercourt 0.

The following boys are part of the Griesbach team:

Ben Wilson, Gregg McPherson, Robert Luker, Paul Brodie, Frank Charman, Harvey Robinson, David Hird, Ken Watson, Gerald MacLellan, Larry Weber, Gordon Thibault, Danny O'Connell, Peter Basham, Jim Hamilton, John Parton.

During the recent all-star game at Clarke Stadium, the North juniors bested the South juniors. Luker and MacLellan were chosen from the Griesbach team to play for the North juniors.

Our thanks go out to L/Cpl. Bennett, 2 PPCLI, for giving up so much of his time to help the youngsters.

In September, after the baseball season is over, we hope to start a four-team soccer league in camp for youths up to 13 years of age and who are not 14 years old before April 1st, 1961. In order to get the ball rolling however, we will require coaches and referees. Personnel interested in helping with the league are requested to contact Major Osland, Local 229, or Phone GR 9-0163.

Pony League Baseball

A Pony League Baseball team is presently being formed in Griesbach. League schedule has not yet been completed but when it is, it will reflect games to be played by Griesbach boys in the Edmonton City League.

Practices have been held on Monday and Wednesday evenings each week on the diamond located at No. 1 School.

The team will be selected from the following boys who have indicated their desire to make the team:

Gregory McCormack, Charles Brown, Dennis Johnston, David Rooke, Gregory Mayan, Bryan Post, Peter Basham, Danny O'Connell, Robert Lewis, David McConnell, Raymond Smith, Ben Wilson, Paul Cunningham, Monty Smith, David Grant, John Parton, Ricky Curtis, Garry Armstrong, Dennis King, James McCafferty, Bill Armstrong and Michael Irving.

GRIESBACH LITTLE LEAGUE

League Standing as at June 20th

	Games		
	Played	Won	Lost
Red Sox	7	6	11
Yankees	6	5	1
Dodgers	7	1	6
Cardinals	6	1	5

Play-offs will commence Monday, July the 6th.

Within the next ninety days more than 45 Alberta people will drown. But most of these water and boating fatalities could be prevented by observing the common sense rules of Water Safety.

Accidents don't all happen to non-swimmers. Many swimmers lost their lives because they over-estimated their limited ability. If you insist on testing your endurance, map out a course along the shore. If you get tired, you can put your feet down and rest awhile. Avoid long swims, unless accompanied by two people in a row boat, one to handle the oars, the other ready to assist the swimmer if he gets tired. Keep a healthy respect for the water and enjoy your summer holidays in safety.

UNEF P.R.O.

Griesbach, Alta., June 8th. — Captain J. A. (Jim) McPhee of Vancouver and Abbotsford, B.C., will be posted as public relations officer with the Canadian contingent of the United Nations Emergency Force in the Middle East, in mid-July, it has been announced by Army Headquarters.

He has been public relations officer for Calgary Garrison since 1958.

Well known in British Columbia and Alberta newspaper circles, Capt. McPhee was a reporter with the New Westminster British Columbian from 1945 to 1951 and the Vancouver Province from 1953 to 1958. He was also public relations officer

His wife, the former Kathleen Stewart of Abbotsford, B.C., and three children, Bonnie 16, Tommy 14, and Tupper 10, live at 14 Passchendale Ave., Calgary.

Captain's Assistant

Griesbach, Alta. — Local members of the Canadian Women's Army Corps will soon be seeing a new face with the appointment of Lieut. Muriel Oldaker to the staff of Western Command Headquarters, Edmonton, Alta.

Lieutenant Oldaker has been selected as assistant to Capt. F. K. L. Trusdale, CWAC staff officer at Western Command Headquarters.

A native of Matsqui, B.C., she has been a member of the CWAC (Militia) since 1951. For the past 15 years she has been employed by the United Kingdom Trade Commissioner Service.

Lieutenant Oldaker is the daughter of Mr. and Mrs. H. Oldaker, 3138 West, 28th Ave., Vancouver, B.C.

REPRESENT COMMAND AT SHOOT

GRIESBACH, Alta. — Results were announced recently of the annual skill-at-arms competition for the Army's military police in Western Command.

Members of the Canadian Provost Corps compete in a nation-wide shoot with pistol and sten machine gun to pick the sharpshooters of the corps. Targets of the best five marksmen from all commands in Canada, the NATO brigade in Germany and from service policemen in Egypt are sent to the provost Marshal at Army Headquarters, Ottawa, where the winning team is picked.

The team representing Western Command this year will be (left to right): S/Sgt. G. Grant, Edmonton; L/Cpl. R. J. MacKay, Winnipeg; Sgt. R. Long, Northwest Highway System, Whitehorse; Capt. R. F. Woodburn, Winnipeg; Sgt. R. Wigmore, Calgary.

POSTED

Griesbach, Alta., May 24. — Lieutenant William Cowan of Edmonton, has been posted to the Royal Canadian School of Military Engineering at Chilliwack, B.C.

Lieut. Cowan was a member of the Regular Officer Training Plan from 1954 to 1957 and served with the 2nd Field Squadron, Royal Canadian Engineers, until 1958. He was granted a leave of absence to attend the University of Alberta and graduated this year.

He is the son of Mr. and Mrs. William A. Cowan of Hythe, Alberta.

PROMOTED

Griesbach, Alta., June 3. — Lieutenant Robert A. Gordon of Lachute, Que., has been promoted to the rank of captain.

A member of the Royal Canadian Ordnance Corps, Captain Gordon is quartermaster of the Princess Patricia's Canadian Light Infantry Depot at Hamilton Gault Barracks in Edmonton.

Padre for N.W.H.S.

OTTAWA, May 19. — Captain A. Frederick Otke, of Camrose, Alberta, will be appointed Protestant Chaplain at Headquarters, Northwest Highway System in Whitehorse, Yukon Territory, on August 1st, Army Headquarters announced recently.

An officer of the Royal Canadian Army Chaplain Corps, Capt. Otke is now employed at Army Headquarters, Ottawa.

PERSONALITY OF THE MONTH

Griesbach, Alta., June 3. — An Alberta soldier has donated five nights a week of his leisure time to teach kiddies how to ride their bicycles in safety.

Corporal Hubert Stubbington of Empress, Alta., a military policeman of the Canadian Provost Corps, a veteran of the Second World War and Korea, supervises an evening "school" of pedal-pushers ranging from 5 to 13 years of age.

Sponsored by the Alberta Safety Council, the Griesbach Pedal Pushers Club has two hours cycling practice each evening in balance, the figure eight and riding in a straight line. The club has 150 members. Each age group gets a total of five two-hour lessons and on completion of the course receive a club plate for their bike, safety stickers and an identification card of qualification.

Cpl. Stubbington has been teaching the youngsters how to ride bicycles for the past four years. A father of four children, he feels that road safety and courtesy to fellow cyclists should be taught to children when they get their first sidewalk bicycle. The ten-hour course includes safety rules of the road, courtesy and traffic signs and what they mean.

One rider from the Griesbach Pedal Pushers Club attended a bicycle rodeo in Edmonton on June 19th, to compete for the Provincial pedal-pusher's trophy, awarded annually to the best qualified safety-conscious cyclist.

Cpl. Stubbington's wife, Edith, and four children, Jerry 10, David 9, Daryl 5, and Sharron 4, live at 14112 - 103rd Street, Edmonton.

Corporal Hubert Stubbington, Canadian Provost Corps explaining the safety rules of the road to three of his pupils. From left are: Barbara Vallance; Cpl. Stubbington; Connie Brochie, and Craig Reid, all grade four students at Griesbach schools. (National Defence Photo)

TEEN TOPICS

Wiener Roast

On Friday, May 20th, approximately 40 Teens met outside the Snack Bar at 7:30

p.m. awaiting their ride out to the Wiener Roast which was held at Sturgeon.

When everyone arrived at the Wiener Roast, we proceeded to get a big camp fire going. The girls brought the food out of the cars, which was so kindly donated by Dominion, Safeways and Loblaw's stores. (Wieners, buns and marshmallows). Pop was sold and everyone settled around the camp fire to sing, joke and laugh. We played games and had shoulder fights; girls against boys.

We feel free to say that everyone who attended our Wiener Roast had a real good time. Thanks a lot for supporting your Teen Club, teens, and also thanks goes out to **Dominion, Safeways and Loblaw's stores.**

Platter Party

On Friday, June 3rd, the Griesbach Teens invited the Namoo Teen Club to our C.J.C.A. Platter Party, held in Griesbach School No. 1, in return for the hospitality they extended to us a month ago. No admission was charged.

The dance got off to a late start due to a slight accident which prevented the dance from beginning at 8:30.

"Bouncing Barry Boyd" was M.C. for the Platter Party and he played slow platters as well as "hot ones." Many of the Teens were lucky enough to win the latest hit records and L.P's:

S/Sgt. and Mrs. Moody and Lt.-Col. and Mrs. Crummey chaperoned the dance and a "ball" was held by all who attended. Thanks go out to C.J.C.A., the chaperons and all the teens who turned out to make the dance a tremendous success:

June Prom

By the time this paper is out, we will have had our Griesbach Teens' Annual Prom, a semi-formal affair: More about the Prom in next month's issue, but at this time we would like to extend our deepest thanks to **DOMINION Store, 101st**

Street and Princess Elizabeth Avenue, who made possible free catering service. Mrs. Finland, employed by Dominion, was in charge. This is just one of their many services that they extend to their customers.

The band is one of the bands that play for the Sergeants' Mess, and is being looked after by S/Sgt. J. Salmund.

Invitations were sent out to parents of teen members, the Senior Executive, and people who have helped "Teens" this year.

This is the last function of the Griesbach Teen Club this year. Due to the June final examinations, the preparation for the June Prom is the only activity planned.

Football

During the last year the Teens of Griesbach have played Football, Hockey, Basketball and Baseball. All this they do with no real coaching and inadequate equipment. As a result several players were injured, not badly, fortunately, but they could have been hurt worse.

The Teens want to play football again this fall, but feel they must have some assistance to do so. Many people watched the games last fall and enjoyed them very much. We feel there should be a football team for the Teens of Griesbach, if nothing else. We are appealing to anyone who can and will offer some help to do so, either in the field of coaching or equipment, both sorely needed. Perhaps the Griesbach Association can help. Thank you.

Have you all the safety equipment you need at the summer cottage? Make sure you have a long pole and heaving line on your dock. Teach every member of your family how to perform a rescue from dry land.

Receives Promotion

Griesbach, Alta. — Lieut. Patrick A. Thomson, 26, of Chatham, Ont., was promoted to the rank of captain on June 1st, it was announced recently by Army Headquarters.

He is the son of Mr. and Mrs. Stanley G. Thomson of 19 Dufferin Ave., Chatham.

Captain Thomson graduated from Royal Military College, Kingston, Ont., in 1956 and from Queen's University in 1957. He served at the Royal Canadian School of Military Engineering at Chilliwack, B.C., from 1957 to 1959. He is presently with 13 Works Company, Royal Canadian Engineers at Edmonton, Alta.

His wife, the former Anne Ratcliffe of Chatham, and daughters Kathryn, 2, and Janet, 9 months, live at 9743 - 64th Ave., Edmonton.

ANNUAL COMMAND OFFICERS' MESS VS SGTS' MESS HA GOLF TOURNAMENT

It did appear as though the Griesbach Golf Association is fated to hold tournaments under adverse weather conditions. The HA tournament between teams from the Command Sgts' and Officers' Messes was no exception. Gale winds caused scores to soar well above average and discouraged several fairly low handicap players. However, when all the scores were tallied it was found that once again the Sgts. had defeated the Officers. Lowest scores on each side were:

Officers' Team: Lt.-Col. Routledge, Mr. J. Roe, Mr. J. Romaniuk, Capt. Buxton, Capt. Jaques, Capt. Lucas, Capt. Werth, Major Saunders. Strokes 738 — Average 93.2.

Sgts' Team: Sgt. Milbraith, S/Sgt. Salmond, S/Sgt. Thompson, WO1 Casselman,

WO1 Clarke, WO2 McIntosh, Sgt. Meeks, WO1 Armstrong. Strokes 718 — Average 89.8.

Presentations were made at the 19th hole Western Command Sgts' Mess by Colonel K. J. Koates and Mr. D. Radford. A buffet supper followed. This tournament was the third to be held and the Sgts. have won twice. The Officers won the first one in 1958.

Individual winners were:

Low Gross — (Sgts.) Sgt. Milbraith, 17 ROD — 81.

(Officers) Capt. Buxton, HQ Western Command — 86.

High Hole — Sgt. Robinson.

Low Hole — S/Sgt. Salmond.

Nearest Pin on 4th Hole — Capt. La rose — 35' 4".

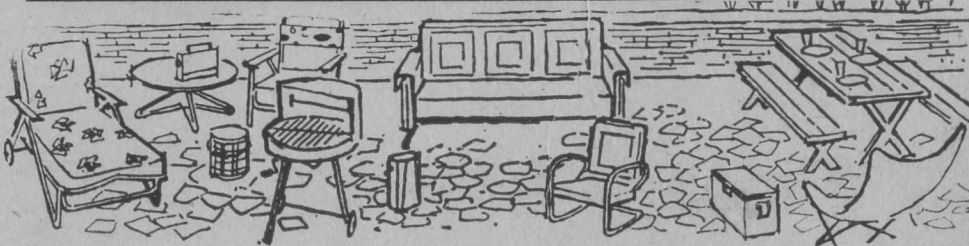

Most Honest Golfer — Sgt. Illingworth.

Giant Engine Recalls Colorful Railway Era

A giant locomotive that once chugged its way through "roller-coaster" terrain of the Rocky and Selkord Mountains between Calgary and Revelstoke, B.C., has become the newest visitor attraction in the City of Calgary.

It stands on rails at a site in Mewata Park in the central section of the city facing the mountains, it was built to conquer. Adding to the glory of the steamer is full-scale replica of a pioneer station house, complete with hardwood benches and pot-bellied stove. The station acts as a tourist information centre and is the headquarters of the Calgary Tourist and Convention Association.

The locomotive is one of the famous "5900's", an engine designed to challenge one of the toughest sections of railway in the world. A total of 35 of these giants were built and were in service on the Canadian Pacific Railway's Transcontinental line from 1929 to the early 1950's when they gave way to smaller, more efficient diesels.

The 5900's were the biggest locomotives in the British Commonwealth. The driving wheels are 5 feet, three inches in diameter. The distance from the pilot to the back of the tender is 98 feet, while top to bottom height measures 15 feet, six inches.

The loaded weight of the engine in service was 447,000 pounds. The tender weighed an additional 284,000 pounds. An oil burner, the locomotive carried 4,100 Imperial gallons of oil and 1,200 Imperial gallons of water.

The engine on display at Calgary is the "5934", second last of the series to be

built. It was obtained by Calgarians through civic funds and public donations and the co-operation of the Canadian Pacific Railway.

Photography platforms are to be erected early this year and will enable visitors to take pictures of the steamer from various points of advantage. The cab will be open to inspection.

School Registration 1960-61

The annual problem of registration of school children is with us once again.

School No. 2 has been enlarged to 20 rooms, and we are fortunate in that we can now divide the Camp so that there is no overcrowding in any classroom. This, of course, is of great benefit to our children as teachers with smaller classes can devote more time to individual pupils when required.

There may be the odd instance where children residing in the same PMQ will be required to attend different Camp schools, however the division of pupils has been carefully considered and must be followed.

For the benefit of new-comers to Griesbach, School No. 1 is located in the old (or South) section of the Camp and School No. 2 is in the new (or North) section.

Parents are advised that age limits for kindergarten pupils will be five (5) years of age on or before 31st December, 1960, and for grade one pupils six years of age on or before the same date. Birth certificates will be required to substantiate ages of kindergarten and grade one pupils who will be registering for the first time.

REGISTRATION IN BOTH CAMP SCHOOLS WILL TAKE PLACE ON THURSDAY, SEPTEMBER 1st, 1960, BETWEEN 1000 and 1100 HOURS.

Elementary and Junior High School Students

SCHOOL No. 1

- (a) All children residing in PMQs 1 to 224 inclusive.
- (b) Grade 1 pupils only, residing in PMQs 236 to 254 inclusive and PMQs 266 to 304 inclusive.
- (c) All Junior High School students (grade 7, 8 and 9) from the entire PMQ area.

SCHOOL No. 2

- (a) All children residing in PMQs NORTH of 146th Avenue, less Grade 1 and Junior High School students as advised above.

Senior High School Students (Protestant)

The Protestant Senior High School for students residing in Griesbach PMQ area will be the QUEEN ELIZABETH COMPOSITE HIGH SCHOOL, 132nd Avenue and 95A Street. This school will accommodate Grades 10, 11 and 12.

REGISTRATION WILL TAKE PLACE ON SEPTEMBER 1st, 1960 AT 1330 HOURS.

Transportation will be provided on September 1st at 1300 hrs. from School No. 1 and daily thereafter to and from school in accordance with a schedule to be published in Part 1 Orders.

The QUEEN ELIZABETH COMPOSITE HIGH SCHOOL office will be open daily during the month of August and parents may secure information concerning the school during that period. New-comers to Camp are urged to contact the school as early as possible in August to arrange suitable courses.

Special arrangements may have to be made to accommodate students at other Senior High Schools in the City of Edmonton who are now taking courses that will not be offered at the Queen Elizabeth Composite High School. Parents are requested to advise Mr. W. V. McNeill, Superintendent of Griesbach Schools, Local 247, of any such cases.

Senior High School Students (Catholic)

The Catholic High School for students attending Grades 10 and 11 will be the O'LEARY HIGH SCHOOL, 132nd Avenue and 88th Street.

The Catholic High School for students attending Grade 12 will be ST. JOSEPH'S HIGH SCHOOL, 108th Avenue and 109th Street.

REGISTRATION IN BOTH SCHOOLS WILL TAKE PLACE AT 1330 HOURS, SEPTEMBER 1st, 1960.

Transportation will be provided from School No. 1 at 1300 hours, September 1st and daily thereafter to and from these schools in accordance with a schedule to be published in Part 1 Orders.

Senior High School (Alberta College)

Parents who wish to send their children to Alberta College for Senior High School will FIRST obtain authority for this from HQ Western Command. Requests for authority should be forwarded to Capt. F. G. Daniels, HQ Western Command, together with a brief outline why Alberta College is desired.

Parents are reminded that transportation to and from Alberta College is NOT provided by the Army.

GENERAL

In order to assist the School Board with the preparation of bus schedules, it is requested that parents of Senior High School students forward the following information as soon as possible to Capt. F. G. Daniels, HQ Western Command:

- a. Father's Service particulars.
- b. Father's Unit.
- c. Name of Student.
- d. Name of School.
- e. PMQ No. and Street Address.

On receipt of this information a Student Bus Pass will be issued.

It is emphasized that students will not be permitted to ride the Army School Bus without his Pass.

ATTENTION

Potential Library Members

In order to avoid as much delay as possible, it is proposed to prepare library membership cards ahead of opening date. In order to prepare these cards, please complete the following. Details must be completed for each member of a family desiring to use the library.
